To the Traffic
Management
745 Te Rapa Road,
Hamilton

Dear Sirs, Madames.

Congratulations on the magnificent improvement of the Normandy Avenue - Bader street intersection. I can get to work now without risking my life or abuse or going the extra length around the round about.

If possible, convey my gratitude, to roadworkers, traffic-lights installers, road markers-gardeners, and planners. It all looks so lovely.

Have a good day
with great regards;

Emelia
